news posted on June 19th 2009

In addition to **Shownieuws** and **Luv'**, **Patty Brard** has another string to her bow. In March, **Kathleen Aerts** left the female formation which has been popular in the Netherlands and Belgium for 10 years. Because of her experience as a **Luv'** singer, **Patty** has considerable expertise to be part of the jury to find the new **K3** girl. Other judges are French choreographer **Marc Forno**, **K3** songwriter **Miguel Wiels** en **K3** choreographer **Axana Ceulemans**. The talent show will be aired both on the Dutch **SBS 6** channel and the Flemish **VTM** channel later this year.

news posted on June 20th 2009

Breaking news: Anny & José has today entered the **Dutch Single Top 100** at **#92** with their duet "**Be my baby**". Congratulations!!! The CD (released on May 18th by Marista) has been produced by **Will Hoebee** (**José's** husband) and **Piet Souer** (who wrote **Luv's** hits with **Hans van Hemert** in their heyday). **José** hasn't scored a record on the charts since February 2006. R.I.P: **Michael Jackson** (1958 - 2009)

news posted on June 26th 2009

Even if my site deals with **Luv'**, I cannot ignore the sad news that shook the world. **King of Pop Michael Jackson** died yesterday at age 50 in Los Angeles after suffering a cardiac arrest. Everybody remembers his classic hits, his albums (including the best-selling record of all time "**Thriller**"), his amazing live shows and his incredible videos. He was a true inspiration for all of us. May he rest in peace. **Patty Brard** worked with his musicians (like percussionist **Paulinho Da Costa** and guitarist **Paul Jackson Jr.**) on her first solo album "**All This Way**" in 1981.

Anny & José : out of charts

news posted on June 28th 2009

Bad news: **Be my baby**, the duet single by **Anny & José**, has left the charts (after a week on Single Top 100 at **#92**). However, the ladies keep on performing in Holland and Belgium.

Moreover, they were supposed to appear live last week on **ThalsFM**. But they had to cancel their participation at the last moment due to a busy schedule. However, there was a short phone interview of the duo as a substitute. **José** said that they had the idea for the duet during holidays in Spain and that she was hoping for many TV performances. According to **Anny**, it's harder to promote records nowadays: "In the past, there was **TopPop** in the Netherlands. If you sang on this show (which was popular in the 1970's and 1980's), you could be sure that you had a hit record. Such programmes don't exist anymore. Now it's complicated, especially for newcomers." source: Dutchcharts.nl / ThalsFM
