Patty : judge on "K2 zoekt K3"

New K3 with Josje (in the middle)

The finale of **K2 zoekt K3** (the search for the new member of girl group **K3**) was broadcast live on Saturday, October 3rd evening both on **SBS 6** in the Netherlands and on **VTM** in Flanders (Belgium). The talent show attracted **2.048.000 Dutch viewers** (market share: **29.9%**) with a peak of **2.449.000 people** (market share: 36%) when the victory of candidate **Josje** was announced. **1.022.452 Flemish viewers** watched the programme (market share: **45.5%**). These ratings are amazing in Benelux. This special show was hosted by **Patty Brard's SBS 6** colleague **Gerard Joling** and **Koen Wouters** (of Flemish pop band **Clouseau**).

Because of her career in **Luv'** (Holland's very first female pop act), her expertise in showbiz and her rude remarks, **Patty** was the right person to be part of the jury.

Last week I wrote that the **Luv'** photo book would come out in November (see news posted on October 15th). **Peter Boonstra** (in charge of the group's fan club) is involved in this project. He wrote on his site that two days ago, he had a talk with the publisher, **Marga** and **José**. They decided that they needed more time to "make a good book". There should be more personal pictures and stories. It means that the book won't be published this year. Peter will keep the fans informed.

## Bonnie St. Claire's interview with Patty Brard

Patty Brard (left) and Bonnie St. Claire (right)

Two days ago, **Patty Brard** interviewed pop singer **Bonnie St. Claire** for her TV programme on **SBS 6 (Shownieuws)** and the glossy magazine "**Beau Monde**". **Bonnie** is a survivor. She suffered from alcoholism for a long time. Last year, her cirrhosis of the liver could kill her. Fortunately it didn't happen. The legendary artist told **Patty** that she had hope for the future and even suggested **La Brard** humorously that they could cover the iconic duet "**No More Tears (Enough is Enough)**" by **Barbra Streisand & Donna Summer**.

**Bonnie** formed with **José Hoebee** a duo that recorded **ABBA** songs in Dutch and scored two hits in the mid 1980's: **Cassandra** (see article posted on July 7th 2009) and **Zoals Vrienden Doen (The Way Old Friends Do)**.
