- * Patty Brard thinks she's not glamourous. She told **Novum Nieuws** that "she's a chic cleaner who dresses well sometimes". When she's home, she wears pyjamas. She likes to be dressed up to the nines for special occasions. But she's not someone who dares to walk down the street not without make-up. The less glamourous of her life is according to her "the one when she's herself". source: Novum, Trouw, RTL Boulevard
- * Patty's rival, Patricia Paay, refuses to talk to her as long as she doesn't apologize. A few years ago, Brard insulted indeed Paay when they both had their own reality show on TV. Patricia has recently been a candidate of the game show "Wie Ben Ik?" in which the Luv' singer is a team captain. source: PrimeurJagers.nl

* Viola Holt, another Patty enemy, is about to start a website in which she will reply to verbal attacks and gossips about her (including the ones uttered by the Shownieuws presenter).

Marga Scheide had two miscarriages in the past. Even her Luv' colleague, Patty Brard, didn't know about these sad events.

In January new episodes of the paranormal TV show "Char" will be aired on RTL 4. The programme deals with the American medium Char Margolis. During one of the session, she found out that Marga had two miscarriages. This revelation isn't a big deal for the blonde Luv' singer. Patty and Marga think that this discovery is special as Scheide kept it secret. The miscarriages happened at an early stage and they didn't turn her life upside down.
